

**Introducing a new resource  
for middle-school students  
to match their interests to a  
variety of agricultural careers.**

**A PROJECT OF THE MARYLAND SOYBEAN BOARD**

**Max's career guide is provided by the Maryland Soybean Board  
through funds provided by the national soybean checkoff program.**

**Think about  
who you are now,  
to imagine who  
you might be  
in the future.**

Would you rather...  
feed soybean seeds that con-  
grow to the harvest, or water  
the rows every day, these hours?

Would you rather...  
drive a tractor, combine,  
bring a combine trailer  
or repair the engine  
if it breaks down?

Agriculture offers  
many exciting careers!  
Come explore.
